

COVID UPDATE 13th JULY 2021

The Boulder Barn has been closely following UK government and Governing Body advice and regulations since the onset of the Covid-19 outbreak. We are continually reviewing our operations and policies and making further adaptations where necessary.

As from Monday 19th July you will no longer be required to make a booking to climb. Our opening times remain the same.

Mask wearing in the facility is no longer a legal requirement but we ask that you use good judgement and if you wish to wear a face covering please do so. The same will apply to our staff.

We will continue to do all we can to keep our facility safe and will be continuing with our vigorous cleaning regime and monthly sanitisation of the whole building to keep you all safe.

We ask that you do not attend if you feel unwell or are displaying any COVID symptoms.

Finally we would like to say thank you to our climbers and staff who have followed the guidelines and have helped to keep the Boulder Barn a safe place to climb and socialise, and for the continued support we have been shown.
